KSENIIA BEGMA

PROFESSIONAL SUMMARY

With over 10 years of experience as an educational consultant and workshop leader, I specialize in helping schools build thriving, standout communities. By providing tailored strategies, professional development, and continuous support, I enable schools to excel academically while fostering an inclusive environment that students and parents take pride in. My approach combines actionable planning and innovative methodologies to ensure long-term success.

WORK HISTORY

September 2013 - Current

KseniiaBegma.com - Educational Consultant & Workshop Facilitator, Remote

- Improved academic outcomes by collaborating with schools to develop student-centred curricula and ensuring alignment with global standards.
- Fostered technology adoption in classrooms by training educators on using digital tools effectively, enhancing teaching and learning experiences.

September 2023 - Current

International Baccalaureate - Programme Leader/ Evaluation Team Member

- Enhanced teaching practices by organizing professional development sessions, and introducing innovative methodologies, leading to increased student engagement.
- Identified key improvement areas by collaborating with school leadership teams and analyzing institutional reports, resulting in better compliance with IB policies.

September 2023 - Current

International Baccalaureate - Workshop Leader/Program Facilitator

- Increased educator effectiveness by designing workshops that addressed curriculum implementation challenges, fostering collaboration, and providing actionable strategies to improve student outcomes.
- Addressed the need for cohesive instructional strategies by introducing real-world scenarios, resulting in improved classroom outcomes.

September 2022 - Current

New England Association of Schools and Colleges - NEASC Accreditation Visitor

- Provided actionable feedback during accreditation reviews, identifying key areas for growth and helping schools develop targeted improvement plans.
- Enhanced institutional effectiveness by curriculum implementation, and leadership practices, driving alignment with international benchmarks.

March 2023 - Current

Council of International Schools - CIS Evaluator

- Provided detailed feedback on institutional operations, helping schools identify gaps and implement strategies for sustained improvement.
- Reviewed curriculum delivery, leadership structures, and student outcomes to assess overall school effectiveness and compliance.
